## *We present:*

A **new handbook** financed by the EEA and Norway Grants Home Affairs Programme in Bulgaria has been developed on how to consider and take into account the **rights and needs of Roma women** when addressing gender-based and **domestic violence**

### **Intersectional approaches** to understanding domestic violence - **involving minority communities**

#### *Participation*

How can Roma women and relevant NGO representatives be involved and participate in measures taken?

#### *Prevention*

How can prevention of violence against women be addressed within Roma communities?

#### *Protection*

How can Roma women victims of domestic violence be provided with protection from further violence?

#### *Prosecution*

How can perpetrators of domestic violence be held accountable for their criminal acts through processes of prosecution?

#### *Panel:*

**What kind of implications could this handbook have for how we are addressing violence against women and domestic violence?**

#### *Panelists:*

Senior Advisor to the Sámi Parliament of Norway, National Police Commissioner of Iceland; Norwegian Ministry of Justice and Public Security; General Directorate National Police of Bulgaria; European Institute Foundation Bulgaria; NOVA OsloMet Programme on Domestic Violence
